

## To Cherry Tree.....

You are the best school ever and I loved it when I started at the school. You all made me feel like I was welcome and you all are so kind and so weird and you are all so supportive and in the lockdown you all made me feel so supported and helped me to not be stressed. You helped me with my work and I loved playing good old monopoly with you all and when Emma came out and played cross bar challenge and badminton and doing football cards made me feel happy. I loved beating Emma at cross bar challenge and monopoly and I love the school so so so so so so so so so so so much and you all make me feel so so so so so so so so so so so supported and happy and not so stressed.

From the best one and only Ethan
