Cherry Tree Online Safety Policy

1. Policy Aims

- This online safety policy takes into account the DfE statutory guidance “[Keeping Children Safe in Education](#)”
- The purpose of Cherry Tree online safety policy is to:
 - Safeguard and protect all members of Cherry Tree community online.
 - Identify approaches to educate and raise awareness of online safety throughout the community.
 - Enable all staff to work safely and responsibly, to role model positive behaviour online and to manage professional standards and practice when using technology.
 - Identify clear procedures to use when responding to online safety concerns.
- Cherry Tree identifies that the issues classified within online safety are considerable, but can be broadly categorised into four areas of risk:
 - **Content:** being exposed to illegal, inappropriate or harmful material
 - **Contact:** being subjected to harmful online interaction with other users
 - **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.
 - **Commerce:** risks such as online gambling, inappropriate advertising, phishing and or financial scams.

2. Policy Scope

- Cherry Tree believes that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all pupils and staff are protected from potential harm online.
- Cherry Tree identifies that the internet and associated devices, such as computers, tablets, mobile phones and games consoles, are an important part of everyday life.
- Cherry Tree believes that pupils should be empowered to build resilience and to develop strategies to manage and respond to risk online.
- This policy applies to all staff including the Management Committee, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the school (collectively referred to as ‘staff’ in this policy) as well as pupils and parents/carers.
- This policy applies to all access to the internet and use of technology, including personal devices, or where pupils, staff or other individuals have been provided with school issued devices for use off-site, such as a work laptops, tablets or mobile phones.

2.1 Links with other policies and practices

- This policy links with a number of other policies, practices and action plans including:
 - Anti-bullying policy
 - Behaviour Management policy
 - Safeguarding and Child protection policy
 - GDPR policy

3. Monitoring and Review

- Cherry Tree will review this policy at least annually
 - The policy will also be revised following any national or local policy requirements, any child protection concerns or any changes to the technical infrastructure
- We will ensure that we regularly monitor internet use and evaluate online safety mechanisms to ensure that this policy is consistently applied.
- To ensure they have oversight of online safety, the Headteacher will be informed of online safety concerns, as appropriate.
- Any issues identified will be incorporated into the school's action planning.

4. Roles and Responsibilities

- Cherry Tree recognises that all members of the school community have important roles and responsibilities to play with regards to online safety.

4.1 The leadership and management team will:

- Ensure that online safety is viewed as a safeguarding issue and that practice is in line with national and local recommendations and requirements.
- Ensure there are appropriate and up-to-date policies regarding online safety.
- Ensure that suitable and appropriate filtering and monitoring systems are in place.
- Work with technical staff to monitor the safety and security of school systems and networks.
- Ensure that online safety is embedded within a progressive whole school curriculum, which enables all pupils to develop an age-appropriate understanding of online safety.
- Support the online safety lead by ensuring they have sufficient time and resources to fulfil their online safety responsibilities.
- Ensure there are robust reporting channels for the school community to access regarding online safety concerns.
- Ensure that appropriate risk assessments are undertaken regarding the safe use of technology. Audit and evaluate online safety practice to identify strengths and areas for improvement.

4.2 The Designated Safeguarding Lead (DSL) will:

- Act as a named point of contact on all online safeguarding issues and liaise with other members of staff or other agencies, as appropriate.
- Keep up-to-date with current research, legislation and trends regarding online safety and communicate this with the school community, as appropriate.
- Ensure all members of staff receive regular, up-to-date and appropriate online safety training.
- Work with staff to coordinate participation in local and national events to promote positive online behaviour, such as Safer Internet Day.
- Maintain records of online safety concerns, as well as actions taken, as part of the schools safeguarding recording mechanisms.
- Report online safety concerns, as appropriate, to the Headteacher and Management Committee.
- Work with the senior leadership team to review and update online safety policies on a regular basis.

4.3 It is the responsibility of all members of staff to:

- Contribute to the development of online safety policies.
- Read and adhere to the online safety policy.
- Take responsibility for the security of school systems and the data they use or have access to.
- Model good practice when using technology and maintain a professional level of conduct in their personal use of technology, both on and off site.
- Embed online safety education in curriculum delivery, wherever possible.
- Have an awareness of a range of online safety issues and how they may be experienced by the children in their care.
- Identify online safety concerns and take appropriate action by following the school's safeguarding policies and procedures.
- Know when and how to escalate online safety issues, including signposting to appropriate support, internally and externally.
- Take personal responsibility for professional development in this area.

4.4 It is the responsibility of staff managing the technical environment to:

- Provide technical support and perspective to the DSL and senior leadership team, especially in the development and implementation of appropriate online safety policies and procedures.
- Implement appropriate security measures to ensure that the school's IT infrastructure/system is secure and not open to misuse or malicious attack, whilst allowing learning opportunities to be maximised.
- Ensure that the schools filtering policy is applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team.
- Report any filtering breaches to the DSL and leadership team, as well as, the school's Internet Service Provider or other services, as appropriate.
- Ensure that any safeguarding concerns, identified through monitoring or filtering breaches are reported to the DSL, in accordance with the school's safeguarding procedures.

4.5 It is the responsibility of pupils (at a level that is appropriate to their individual age, ability and vulnerabilities) to:

- Engage in age appropriate online safety education opportunities.
- Contribute to the development of online safety policies.
- Respect the feelings and rights of others both on and offline.
- Take responsibility for keeping themselves and others safe online.
- Seek help from a trusted adult, if there is a concern online, and support others that may be experiencing online safety issues.

4.6 It is the responsibility of parents and carers to:

- Support the school in their online safety approaches by discussing online safety issues with their children and reinforce appropriate, safe online behaviours at home.
- Role model safe and appropriate use of technology and social media.
- Abide by the schools home-school agreement
- Identify changes in behaviour that could indicate that their child is at risk of harm online.
- Seek help and support from the school, or other appropriate agencies, if they or their child encounter risk or concerns online.

- Contribute to the development of the school online safety policies.
- Take responsibility for their own awareness in relation to the risks and opportunities posed by new and emerging technologies.

5. Education and Engagement Approaches

5.1 Education and engagement with pupils

- The school will establish and embed a progressive online safety curriculum throughout the whole school, to raise awareness and promote safe and responsible internet use amongst pupils by:
 - Ensuring education regarding safe and responsible use precedes internet access.
 - Including online safety in the PSD, RSE and Computing programmes of study, covering use both at home and school.
 - Reinforcing online safety messages whenever technology or the internet is in use.
 - Educating pupils in the effective use of the internet to research; including the skills of knowledge location, retrieval and evaluation.
 - Teaching pupils to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
- The school will support pupils to read and understand the safe use of computer equipment in a way which suits their age and ability by:
 - Informing pupils that network and internet use will be monitored for safety and security purposes and in accordance with legislation.
 - The use of AI including, deepfakes, grooming and misinformation
 - Implementing appropriate peer education approaches.
 - Providing online safety education and training as part of the transition programme across the key stages and when moving between establishments.
 - Seeking pupil voice when writing and developing school online safety policies and practices, including curriculum development and implementation.
 - Using support, such as external visitors, where appropriate, to complement and support the school's internal online safety education approaches.

5.1.1 Vulnerable Pupils

- Cherry Tree is aware that some pupils are considered to be more vulnerable online due to a range of factors. This may include, but is not limited to children in care, children with Special Educational Needs and Disabilities (SEND) or mental health needs, children with English as an additional language (EAL) and children experiencing trauma or loss.
- Cherry Tree will ensure that differentiated and ability appropriate online safety education, access and support is provided to vulnerable pupils.

5.2 Training and engagement with staff

The school will:

- Provide and discuss the online safety policy with all members of staff as part of induction.
- Provide up-to-date and appropriate online safety training for all staff on a regular basis, with at least annual updates.

- This will cover the potential risks posed to pupils (Content, Contact, Conduct and commerce) as well as our professional practice expectations.
- Make staff aware that school systems are monitored, and activity can be traced to individual users; staff will be reminded to behave professionally and in accordance with school's policies when accessing school systems and devices.
- Make staff aware that their online conduct out of school, including personal use of social media, could have an impact on their professional role and reputation within school.
- Highlight useful educational resources and tools which staff should use, according to the age and ability of the pupils.
- Ensure all members of staff are aware of the procedures to follow regarding online safety concerns affecting pupils, colleagues or other members of the school community.

5.3 Awareness and engagement with parents and carers

- Cherry Tree recognises that parents and carers have an essential role to play in enabling children to become safe and responsible users of the internet and associated technologies.
- The school will build a partnership approach to online safety with parents and carers by:
 - Providing information and guidance on online safety in a variety of formats.
 - Drawing their attention to the school online safety policy and expectations in newsletters, letters, our prospectus and on our website.

6. Reducing Online Risks

- Cherry Tree recognises that the internet is a constantly changing environment with new apps, devices, websites and material emerging at a rapid pace. We will:
 - Regularly review the methods used to identify, assess and minimise online risks.
 - Examine emerging technologies for educational benefit and undertake appropriate risk assessments before use in school is permitted.
 - Ensure that appropriate filtering and monitoring is in place and take all reasonable precautions to ensure that users can only access appropriate material.
 - Due to the global and connected nature of the internet, it is not possible to guarantee that unsuitable material cannot be accessed via a school computer or device.
- We will not be using AI tools at Cherry Tree until staff have received adequate training which is scheduled for September 2026
- All members of the school community are made aware of the school's expectations regarding safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos which could cause harm, distress or offence to members of the community. This is clearly highlighted through a variety of education and training approaches.

7. Safer Use of Technology

7.1 Classroom Use

- All school owned devices will be used in accordance with appropriate safety and security measures in place.
- The school uses Qustodio monitoring programme which is checked daily and any concerns and actions logged by the School Office Manager and reported to the DSL.
- Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.
- The school will use age appropriate search tools to identify which tool best suits the needs of our community.
- The school will ensure that the use of internet-derived materials, by staff and pupils, complies with copyright law and acknowledge the source of information.
- Supervision of pupils will be appropriate to their age and ability.
 - **Key Stage 3, 4, 5**
 - Pupils will be appropriately supervised when using technology, according to their ability and understanding. This will be decided on the individual pupil's risk assessment

7.2 Managing Internet Access

- The school will maintain a written record of users who are granted access to the school's devices and systems.
- All staff and pupils will read and sign an Acceptable Use Agreement before being given access to the school computer system, IT resources or internet.
- All visitors will be made aware that they must not use any internet devices without permission from the Headteacher or School Operations Manager.

7.3 Filtering and Monitoring

Note: A guide for education settings about establishing 'appropriate levels' of filtering and monitoring can be found at: <https://www.saferinternet.org.uk/advice-centre/teachers-and-school-staff/appropriate-filtering-and-monitoring>

7.3.1 Decision Making

- Cherry Tree Management Committee members and leaders have ensured that the school has age and ability appropriate filtering and monitoring in place, to limit children's exposure to online risks.
- The Committee members and leaders are aware of the need to prevent "over blocking", as that may unreasonably restrict what children can be taught, with regards to online activities and safeguarding.
- Changes to the filtering and monitoring approach will be risk assessed by staff with educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.
- The leadership team will ensure that regular checks are made to ensure that the filtering and monitoring methods are effective and appropriate.

- All members of staff are aware that they cannot rely on filtering and monitoring alone to safeguard pupils; effective classroom management and regular education about safe and responsible use is essential.

7.3.2 Filtering

- The school uses Qustodio which blocks sites which can be categorised as: pornography, racial hatred, extremism, gaming and sites of an illegal nature.
 - The school filtering system blocks all sites on the [Internet Watch Foundation](#) (IWF) list.
- The school works with ITbytes to ensure that our filtering policy is continually reviewed and the use of AI incorporated.

Dealing with Filtering breaches

- The school has a clear procedure for reporting filtering breaches.
 - If pupils discover unsuitable sites, they will be required to immediately report it to a staff member
 - The member of staff will report the concern (including the URL of the site if possible) to the Designated Safeguarding Lead and/or technical staff.
 - The breach will be recorded and escalated as appropriate.
 - Parents/carers will be informed of filtering breaches involving their child.
- Any material that the school believes is illegal will be reported immediately to the appropriate agencies, such as: IWF, Kent Police or CEOP.

7.3.4 Monitoring

- The school will appropriately monitor internet use on all school owned or provided internet enabled devices. This is achieved by:
 - This will be achieved physical monitoring and web access (reviewing logfile information) and via technology monitoring services.
 - The use of AI threats and risks
- All users will be informed that use of school systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.

7.4 Managing Personal Data Online

- Personal data will be recorded, processed, transferred and made available online in accordance with the General Data Protection Regulations 2018.

7.5 Security and Management of Information Systems

- The school takes appropriate steps to ensure the security of our information systems, including:
 - Virus protection being updated regularly.
 - Encryption for personal data sent over the Internet or taken off site (such as via portable media storage) or access via appropriate secure remote access systems.
 - Not using portable media without specific permission; portable media will be checked by an anti-virus /malware scan before use.
 - Not downloading unapproved software to work devices or opening unfamiliar email attachments.

- Regularly checking files held on the school's network,
- The appropriate use of user logins and passwords to access the school network.
 - Specific user logins and passwords will be enforced for all pupils and staff
- All users are expected to log off or lock their screens/devices if systems are unattended.

7.6 Managing the Safety of the School Website

- The school will ensure that information posted on our website meets the requirements as identified by the Department for Education (DfE).
- The school will ensure that our website complies with guidelines for publications including: accessibility; data protection; respect for intellectual property rights; privacy policies and copyright.
- Staff or pupils' personal information will not be published on our website; the contact details on the website will be the school address, email and telephone number.
- The administrator account for the school website will be secured with an appropriately strong password.
- The school will post appropriate information about safeguarding, including online safety, on the school website for members of the community.

7.7 Managing Email

- Access to school email systems will always take place in accordance with Data protection legislation
 - The forwarding of any chain messages/emails is not permitted. Spam or junk mail will be blocked and reported to the email provider.
 - Any electronic communication which contains sensitive or personal information will only be sent using secure and encrypted email.
 - School email addresses and other official contact details will not be used for setting up personal social media accounts.
- Members of the school community will immediately tell any staff member if they receive offensive communication, and this will be recorded in the school safeguarding files/records.
- Excessive social email use can interfere with teaching and learning and will be restricted; access to external personal email accounts may be blocked in school.
- The school will have a dedicated email for reporting wellbeing and pastoral issues. This inbox will be managed by designated and trained staff.

7.7.1 Staff

- The use of personal email addresses by staff for any official school business is not permitted.
- Members of staff are encouraged to have an appropriate work life balance when responding to email.

7.7.2 Pupils

- Pupils will use school provided email accounts for educational purposes.
- Pupils will sign AUA and will receive education regarding safe and appropriate email etiquette before access is permitted.

7.7.3 Management of Applications (apps) used to Record Children's Progress

- The Headteacher is ultimately responsible for the security of any data or images held of children. As such, they will ensure that the use of tracking systems is appropriately risk assessed prior to use, and that they are used in accordance with data protection legislation
- In order to safeguard pupils data:
 - Only school issued devices will be used for apps that record and store children's personal details, attainment or photographs.
 - Personal staff mobile phones or devices will not be used to access or upload content to any apps which record and store children's personal details, attainment or images.
 - School devices will be appropriately encrypted if taken off site, to reduce the risk of a data security breach, in the event of loss or theft.
 - All users will be advised regarding safety measures, such as using strong passwords and logging out of systems.
 - Parents and carers will be informed of the expectations regarding safe and appropriate use, prior to being given access; for example, not sharing passwords or images.

8. Social Media

8.1 Expectations

- The expectations' regarding safe and responsible use of social media applies to all members of Cherry Tree community.
 - The use of social media during school hours for personal use **is not** permitted.
- Concerns regarding the online conduct of any member of Cherry Tree community on social media, should be reported to the school and will be managed in accordance with our Anti-bullying, Allegations against staff, Behaviour and Child protection policies.

8.2 Staff Personal Use of Social Media

- The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of the school Code of conduct within the AUA.

Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within school. Civil, legal or disciplinary action may be taken if they are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media sites. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources on a regular basis. This will include (but is not limited to):
 - Setting the privacy levels of their personal sites as strictly as they can.
 - Being aware of location sharing services.
 - Opting out of public listings on social networking sites.
 - Logging out of accounts after use.
 - Keeping passwords safe and confidential.

- Ensuring staff do not represent their personal views as that of the school.
- Members of staff are encouraged not to identify themselves as employees of Cherry Tree on their personal social networking accounts. This is to prevent information on these sites from being linked with the school and also to safeguard the privacy of staff members.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online and to ensure that their social media use is compatible with their professional role and is in accordance with school's policies and the wider professional and legal framework.
 - Information and content that staff members have access to as part of their employment, including photos and personal information about pupils and their family members or colleagues will not be shared or discussed on social media sites.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared on social media sites conflicts with their role in the school.

Communicating with pupils and parents and carers

- All members of staff are advised not to communicate with or add as 'friends' any current or past pupils or current or past pupils' family members via any personal social media sites, applications or profiles.
 - Any pre-existing relationships or exceptions that may compromise must be discussed with Designated Safeguarding Lead and/or the Headteacher.
- Staff will not use personal social media accounts to make contact with pupils or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Headteacher.
- Any communication from pupils and parents received on personal social media accounts will be reported to the schools Designated Safeguarding Lead.

8.3 Pupils' Personal Use of Social Media

- Safe and appropriate use of social media will be taught to pupils as part of an embedded and progressive education approach, via age appropriate sites and resources.
- Pupils will be advised:
 - To consider the benefits and risks of sharing personal details on social media sites which could identify them and/or their location. Examples would include real/full name, address, mobile or landline phone numbers, school attended, other social media contact details, email addresses, full names of friends/family, specific interests and clubs.
 - To only approve and invite known friends on social media sites and to deny access to others by making profiles private/protected.
 - Not to meet any online friends without a parent/carer or other responsible adult's permission and only when a trusted adult is present.
 - To use safe passwords.
 - To use social media sites which are appropriate for their age and abilities.
 - How to block and report unwanted communications and report concerns both within school and externally.

9. Use of Personal Devices and Mobile Phones

- Cherry Tree recognises that personal communication through mobile technologies is an accepted part of everyday life for pupils, staff and parents/carers, but technologies need to be used safely and appropriately within school where permission is given.

9.1 Expectations

- All use of personal devices and mobile phones will take place in accordance with the law and other appropriate school policies, including, but not limited to: Anti-bullying, Behaviour and Child protection.
- Electronic devices of any kind that are brought onto site must be handed into the office on arrival and are not permitted in the classrooms without permission from the Headteacher or School Operations Manager

9.2 Staff Use of Personal Devices and Mobile Phones

- Members of staff will ensure that use of personal phones and devices takes place in accordance with the law, as well as, relevant school policy and procedures, such as: Confidentiality, Child protection, Data security and Acceptable use.
- Staff will be advised to:
 - Keep mobile phones and personal devices in a safe and secure place during lesson time
 - Keep mobile phones and personal devices switched off or switched to 'silent' mode during lesson times.
 - Ensure that Bluetooth or other forms of communication (such as 'airdrop') are hidden or disabled during lesson times.
 - Not use personal devices during teaching periods, unless written permission has been given by the Headteacher, such as in emergency circumstances.
 - Ensure that any content brought onto site via mobile phones and personal devices are compatible with their professional role and expectations.
- Members of staff are not permitted to use their own personal phones or devices for contacting pupils or parents and carers.
 - Any pre-existing relationships, which could undermine this, will be discussed with the Designated Safeguarding Lead or Headteacher.
- Staff will not use personal devices, such as: mobile phones, tablets or cameras:
 - To take photos or videos of pupils and will only use work-provided equipment for this purpose.
 - Directly with pupils and will only use work-provided equipment during lessons/educational activities.
- If a member of staff breaches the school policy, action will be taken in line with the school behaviour and allegations policy
 - If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, the police will be contacted.

9.3 Visitors' Use of Personal Devices and Mobile Phones

- Parents, carers and visitors (including volunteers and contractors) must use their mobile phones and personal devices in accordance with the school's associated policies, such as: Anti-bullying, Behaviour and Child protection.

- The school will ensure appropriate signage and information is displayed to inform parents, carers and visitors of expectations of use.
- Members of staff are expected to challenge visitors if they have concerns and will always inform the Designated Safeguarding Lead of any breaches of school policy.

9.4 Officially provided mobile phones and devices

- Members of staff will be issued with a work phone number and email address, where contact with pupils or parents/ carers is required and for emergency and lockdown procedures.
- School mobile phones and devices will be suitably protected via a passcode/password/pin and must only be accessed or used by members of staff.

10. Responding to Online Safety Incidents and Concerns

- All members of the school community will be made aware of the reporting procedure for online safety concerns, including: breaches of filtering, youth produced sexual imagery (sexting), cyberbullying, Cybercrime and illegal content.
- Cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyber-enabled' (crimes that can happen off-line but are enabled at scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer). Cyber-dependent crimes include:
 - unauthorised access to computers (illegal 'hacking'), for example accessing a school's computer network to look for test paper answers or change grades awarded
 - 'Denial of Service' (Dos or DDoS) attacks or 'booting'. These are attempts to make a computer, network or website unavailable by overwhelming it with internet traffic from multiple sources, and,
 - making, supplying or obtaining malware (malicious software) such as viruses, spyware, ransomware, botnets and Remote Access Trojans with the intent to commit further offence, including those above.
 - Children with particular skills and interest in computing and technology may inadvertently or deliberately stray into cyber-dependent crime.
- If there are concerns about a pupil in this area, the DSL needs to be informed and should consider referring into the **Cyber Choices** programme. This is a nationwide police programme supported by the Home Office and led by the National Crime Agency, working with regional and local policing. It aims to intervene where young people are at risk of committing, or being drawn into, low-level cyber-dependent offences and divert them to a more positive use of their skills and interests.
- All members of the community must respect confidentiality and the need to follow the official school procedures for reporting concerns.
 - Pupils, parents and staff will be informed of the school's complaints procedure
- The school requires staff, parents, carers and pupils to work in partnership to resolve online safety issues.
- After any investigations are completed, the school will debrief, identify lessons learnt and implement any policy or curriculum changes as required.
- If the school is unsure how to proceed with an incident or concern, the DSL will seek advice from the Local Education Safeguarding Team.
- Where there is suspicion that illegal activity has taken place, the school will contact the Local Education Safeguarding Team or Kent Police using 101, or 999 if there is immediate danger or risk of harm.
- If an incident or concern needs to be passed beyond the school community (for example if other local schools are involved or the public may be at risk), the school will speak with Kent Police and/or the Education Safeguarding Team first, to ensure that potential investigations are not compromised.

10.1 Concerns about Pupils Welfare

- The DSL will be informed of any online safety incidents involving safeguarding or child protection concerns.
 - The DSL will record these issues in line with the school's child protection policy.
- The DSL will ensure that online safety concerns are escalated and reported to relevant agencies in line with the Kent Safeguarding Children's thresholds and procedures.
- The school will inform parents and carers of any incidents or concerns involving their child, as and when required.

10.2 Staff Misuse

- Any complaint about staff misuse will be referred to the Headteacher, according to the Allegations policy.
- Any allegations regarding a member of staff's online conduct will be discussed with the LADO (Local Authority Designated Officer).
- Appropriate action will be taken in line with the Staff Disciplinary, Conduct and Grievance Policy

11. Procedures for Responding to Specific Online Incidents or Concerns

11.1 Youth Produced Sexual Imagery or “Sexting”

- Cherry Tree recognises youth produced sexual imagery (known as “sexting”) as a safeguarding issue; therefore, all concerns will be reported to and dealt with by the Designated Safeguarding Lead.
- The school will follow the advice as set out in the non-statutory UKCCIS guidance: [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) and [KSCMP](#) guidance: “Responding to youth produced sexual imagery”.
- Cherry Tree will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of ‘sexting’ by implementing preventative approaches, via a range of age and ability appropriate educational methods
- The school will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.

11.1.1 Dealing with ‘Sexting’

- If the school are made aware of an incident involving the creation or distribution of youth produced sexual imagery, the school will:
 - Act in accordance with our Child protection and Safeguarding policies and the Kent Safeguarding Children’s Multi-agency Partnership procedures.
 - Immediately notify the Designated Safeguarding Lead.
 - Store the device securely.
 - If an indecent image has been taken or shared on the school network or devices, the school will take action to block access to all users and isolate the image.
 - Carry out a risk assessment which considers any vulnerability of pupil(s) involved; including carrying out relevant checks with other agencies.
 - Inform parents and carers, if appropriate, about the incident and how it is being managed.
 - Make a referral to Specialist Children’s Services and/or the Police, as appropriate.
 - Provide the necessary safeguards and support for pupils, such as offering counselling or pastoral support.
 - Implement appropriate sanctions in accordance with the school’s Behaviour policy but taking care not to further traumatise victims where possible.
 - Consider the deletion of images in accordance with the UKCCIS: [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) guidance.
 - Images will only be deleted once the school has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
 - Review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.
- The school will take action regarding youth produced sexual imagery, regardless of whether the incident took place on/off school premises, using school or personal equipment.
- The school will not:
 - View any images suspected of being youth produced sexual imagery, unless there is no other possible option, or there is a clear need or reason to do so.
 - In this case, the image will only be viewed by the Designated Safeguarding Lead and their justification for viewing the image will be clearly documented.

- Send, share, save or make copies of content suspected to be an indecent image of children (i.e. youth produced sexual imagery) and will not allow or request pupils to do so.

11.2 Online Child Sexual Abuse and Exploitation

- Cherry Tree will ensure that all members of the school community are aware of online child sexual abuse, including exploitation and grooming; the consequences; possible approaches which may be employed by offenders to target children and how to respond to concerns.
- Cherry Tree recognises online child sexual abuse as a safeguarding issue and, as such, all concerns will be reported to and dealt with by the Designated Safeguarding Lead.
- The school will implement preventative approaches for online child sexual abuse via a range of age and ability appropriate education for pupils, staff and parents/carers.
- The school will ensure that all members of the school community are aware of the support available regarding online child sexual abuse, both locally and nationally.
- The school will ensure that the 'Click CEOP' report button is visible and available to pupils and other members of the school community.

11.2. 1 Dealing with Online Child Sexual Abuse and Exploitation

- If the school are made aware of incident involving online sexual abuse of a child, the school will:
 - Act in accordance with the school's Child protection and Safeguarding policies and the relevant Local Safeguarding Children's Partnership procedures.
 - Immediately notify the Designated Safeguarding Lead.
 - Store any devices involved securely.
 - Immediately inform Kent police via 101 (or 999 if a child is at immediate risk)
 - Carry out a risk assessment which considers any vulnerabilities of pupil(s) involved (including carrying out relevant checks with other agencies).
 - Inform parents/carers about the incident and how it is being managed.
 - Make a referral to Specialist Children's Services (if required/ appropriate).
 - Provide the necessary safeguards and support for pupils, such as, offering counselling or pastoral support.
 - Review the handling of any incidents to ensure that best practice is implemented; school leadership team will review and update any management procedures, where necessary.
- The school will take action regarding online child sexual abuse, regardless of whether the incident took place on/off school premises, using school or personal equipment.
 - Where possible pupils will be involved in decision making and if appropriate, will be empowered to report concerns such as via the Click CEOP report :
www.ceop.police.uk/safety-centre/
- If the school is unclear whether a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice immediately through the Local Education Safeguarding Team and/or Kent Police.
- If the school is made aware of intelligence or information which may relate to child sexual exploitation (on or offline), it will be passed through to the [Child Sexual Exploitation Team](#) (CSET) by the Designated Safeguarding Lead.
- If pupils at other schools are believed to have been targeted, the school will seek support from Kent Police and/or the Education Safeguarding Team first to ensure that potential investigations are not compromised.

11.3 Indecent Images of Children (IIOC)

- Cherry Tree will ensure that all members of the school community are made aware of the possible consequences of accessing Indecent Images of Children (IIOC).
- The school will take action regarding IIOC on school equipment and/or personal equipment, even if access took place off site.
- The school will take action to prevent accidental access to IIOC by using an internet Service provider (ISP) which subscribes to the Internet Watch Foundation block list and by implementing appropriate filtering, firewalls and anti-spam software.
- If the school is unclear if a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice immediately through Kent Police and/or the Education Safeguarding Team.
- If made aware of IIOC, the school will:
 - Act in accordance with the school's child protection and safeguarding policy and the relevant KSCMP procedures.
 - Immediately notify the school Designated Safeguard Lead.
 - Store any devices involved securely.
 - Immediately inform appropriate organisations, such as the Internet Watch Foundation (IWF), Kent police or the LADO.
- If made aware that a member of staff or a pupil has been inadvertently exposed to indecent images of children whilst using the internet, the school will:
 - Ensure that the Designated Safeguard Lead is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk .
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Report concerns, as appropriate to the social worker, parent / carers.
- If made aware that indecent images of children have been found on the school devices, the school will:
 - Ensure that the Designated Safeguard Lead is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk .
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Inform the police via 101 (999 if there is an immediate risk of harm) and children's social services (as appropriate).
 - Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police only.
 - Report concerns, as appropriate to social workers, parent / carers.
- If made aware that a member of staff is in possession of indecent images of children on school devices, the school will:
 - Ensure that the Headteacher is informed.
 - Inform the Local Authority Designated Officer (LADO) and other relevant organisations in accordance with the schools managing allegations policy.
 - Quarantine any devices until police advice has been sought.

11.4 Cyberbullying

- Cyberbullying, along with all other forms of bullying, will not be tolerated at Cherry Tree.
- Full details of how the school will respond to cyberbullying are set out in the Anti-bullying policy.

11.5 Online Hate

- Online hate content, directed towards or posted by, specific members of the school community will not be tolerated at Cherry Tree and will be responded to in line with existing school policies, including Anti-bullying and Behaviour Management.
- All members of the school community will be advised to report online hate in accordance with relevant school policies and procedures.
- The Police will be contacted if a criminal offence is suspected.
- If the school is unclear on how to respond, or whether a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice through the Education Safeguarding Team and/or Kent Police.

11.6 Online Radicalisation and Extremism

- The school will take all reasonable precautions to ensure that children are safe from terrorist and extremist material when accessing the internet in school.
- If the school is concerned that a child or parent/carer may be at risk of radicalisation online, the Designated Safeguarding Lead will be informed immediately, and action will be taken in line with the Child protection and the Safeguarding policies.
- If the school is concerned that member of staff may be at risk of radicalisation online, the Headteacher will be informed immediately and action will be taken in line with the Child protection and Allegations policies.

**This policy will be reviewed annually by the Headteacher
and or the Management Committee**
