

## End Of Term Review July 2023

As the end of term approaches, I find myself reflecting on the incredible journey I have had here at Cherry Tree. I am excited for the next chapter in my life but sad to leave such an amazing and wonderful school.

When I first arrived at Cherry Tree, I carried a heavy weight of anxiety and anger that often consumed my days. It was a constant struggle battling my own emotions and feeling trapped in a cycle of frustration. Little did I know that my time at Cherry Tree would be a huge turning point, leading me towards a path of self-improvement, resilience and to help me overcome the difficult challenges in my life.

Soo and Emma have recognised my struggles and offered me support and understanding. Their patience and guidance have helped me develop effective strategies to manage my anxiety and anger. Through their belief in my potential and their willingness to go the extra mile, they have allowed me to embrace my emotions, understand their root causes and find healthier ways to express them.

As I prepare to leave Cherry Tree and all the amazing and wonderful people here, I carry a sense of gratitude and huge growth I have experienced.

To the incredible staff members at Cherry Tree, I want to express my deepest appreciation for each one of you. Thank you for your support, encouragement, and belief in my potential. I am forever grateful to everyone for having such a huge impact on my life. Thank you to all at Cherry Tree, for everything you have done for me.
